

Suraj Dhanaji Kashid

Software Engineer

935 905 3205

surajkashid2222@gmail.com

- **2** Years of overall experience on **Web Application** and **Rest-API** development along with good skills in **core python** and exposure over object oriented concepts(**OOP**).
- Good experience in **Software Development Life Cycle(SDLC)** , database design and **Agile** methodology.
- Hand on experience on the developing web application by implementation of **Model View Controller (MVC)** architecture using the **FLASK** web application framework.
- Have good understanding and experience in the front end languages like **HTML** and **JavaScript**.
- Good knowledge and understanding of the **Structured Query Language (SQL)** to use logical query in structuring the database. Worked with relational databases(RDBMS) like **MySQL..**
- Good experience in using of **ORM** framework like **Flask-SQLAlchemy** .
- Strong skills of writing efficient testing code using **PyTest** and **UnitTest**.
- Good experience of using logging framework like a **Logger** with good formatting skills.
- Worked with the API testing tools like **Postman** and have knowledge of **HTTP** method and strong experience with webservices like **RESTful Api**.
- Good understand and familiar with version controller tool like **GIT**.
- Strongly familiar with efficient code writing in IDE's like **PyCharm** and **Jupyter** Notebook.
- Good in use of project management tools like **Jira** software.
- Capable to working independently as well as **team player** with strong interpersonal skills.
- Always like to learn new technology and have good **problem solving** skills .

Technical skills

- **programming language** : python 3.X and SQL
- **Frameworks** : FLASK , Django(novice)
- **Databases** : MYSQL and SQLite3
- **Web Services** : REST and DRF
- **ORM Framework** : FLASK- SQLAlchemy,Django ORM
- **Api Testing Tool** : Postman,Swagger
- **Logging Framework**: Logger
- **Version Control Tool** : GIT
- **Testing Frame Work**: UnitTest and PyTest
- **Code Editors** : PyCharm, Jupyter Notebook and Visual Studio
- **Project Management Tool**: JIRA
- **Data Science Libraries** : Pandas,Numpy
- **Frontend Languages** : HTML ,JavaScript,react js and Jinja template

Work Experience

2019-07 - Current

Software Engineer

StanceCode Technology Private Limited., Office Address: Office No-1
| Floor-3 | Ganraj Residency | Lane No-2 | Swati Park | Baner | Pune-45,
Maharashtra

Project Title :Sunshine Protection

Technologies :

- Coding backend language : **Python**
- Architecture : **Flask MVC design architecture**
- ORM tool: **FlaskSQLAlchemy**
- DataBase: **MySQL**
- Frontend : **HTML,JavaScript**

Description:

- The objective of this project is provide **protection** against the risk of any health , uncertain loss and financial loss through different policies with **easy** and **fast** process from policy enquiry to claiming the benefited.
- Customers will appreciate a **clean** layout and **intuitive** navigation. And a satisfies the customer by **smooth** and **reliable** experience with our web application.

Role and Responsibility:

Role : **Python Developer.**

- Involved in **building** the model view controller (MVC)architecture utilizing python,in order to built **interactive** web base solutions.
- Analyzing and customizing the source code as per business requirements and doing coding and testing by **efficient** way.
- Creating Database models that **representing** and **support** business process using mysql database and flask-sqlalchemy library.
- Daily meeting with team lead and team members and also involved in **Agile** Methodologies and **Scrum** Process.
- Responsible for **maintaining** the application after development and making changes in terms of **enhancement** of the code performance and client specific requirement .
- Analyze stories and perform an estimation of the complexity and solve it.

Certifications

2019-11

Six Sigma green belt certification

Education

2015-06 - 2019-06

Bachelor of Engineering: CGPA-7.1

NBN Sinhgad Technical Institute - Vadgaon(BK),Pune

2014-06 - 2015-06

HSC: Percentage-74.94

English School Junior College - Mangalwedha ,Solapur

2012-06 - 2013-06

SCC: Percentage-83.27

New English School - Mangalwedha ,Solapur

personal information

- **Date Of Birth** : 12 April 1997
- **Nationality** : Indian
- **Gender** : Male
- **Language Known** : English , Hindi and Marathi.
- **Current Address** : Sr.No.-1 10/3,PI-42,Near S.B. Patil School ,Ravet,LaxmiNagar,Pune | PinCode : 412101.
- **Permanent Address** : Classic Beauty Center (building) first floor , TukaiNagar , Karkhana Road Mangalwedha , Tal-Mangalwedha , Dist-Solapur,state- maharashtra | PinCode: 413305.
